*Where I Live is Shite / Where I Live is Posh*  
(2002)

Where I live is shite  
An inner city high-rise shack  
Social workers shoot on sight  
The hospital's been set alight  
The fire brigade's under attack  
Where I live is shite  
Police hide under their beds at night  
Every road's a cul-de-sac  
Social workers shoot on sight  
Ah Ah Ah Ah Ah  
Girls get pregnant just for spite  
My mate's a repo maniac  
Where I live is shite  
Newborn junkies scratch and bite  
Six-year-olds swap sweets for crack  
Social workers shoot on sight  
Ah Ah Ah Ah  
Tattooed upon my granny's back  
A fading wrinkled Union Jack  
Social workers shoot on sight  
Where I live is shite  
Where I live is posh  
Wha ha ha ha ha ha ha ha ha ha ha  
Sundays the lawns are mown  
My neighbours drink papaya squash  
Sushi is a fav'rite nosh  
Each six-year-old has a mobile phone  
La la la la la la  
Where I live is posh...Ah...  
In spring each garden is awash  
with wisteria pink and fully blown  
Wha ha ha ha ha ha ha  
My neighbours drink papaya squash  
Radicchio thrives beneath the cloche  
Cannabis is home grown  
Where I live is posh  
Wha ha ha ha ha ha ha ha ha ha ha  
Appliances by Miele and Bosch  
Miele and Bosch  
Miele and Bosch  
Sugar-free jam on whole-meal scone  
La la la la la la la la  
Where I live  
Where I la  
My neighbours drink papaya squash  
Posh  
Where I live...Where I live...Where I live  
Where I live...Where I live...Where I live  
Where I live...Where I live  
Posh  
Where I live...Where I live  
Birds hum and bees drone

The paedophile is left alone  
My neighbours drink papaya squash  
Where I live is posh  
Wha ha ha ha ha ha ha ha ha ha ha
